Thanks, Johanna-

I am out of the office that week - Monday through Thursday- but am available Friday the 9th. I'm also available some on the 13th, 14, and 16th; and the week after that.

Let me know what works best for you.

Doug and Monica – I wanted to get a placeholder on the books for a discussion of next steps on NPL outreach. We agreed it made sense to touch base after Monica's trip to Durango next week. Let me know if you have a day/ time preference for the week of October 5th. Looks like afternoons are generally better for the EPA crew although Wed as after 10 could also work. Also we can come to you if that is easier. Johanna
